Gokhy language

Gokhy (Gɔkhý) is a Southern Loloish language of the border region of China, Thailand, and Myanmar. They are also referred to by other Akha groups as the *Akhə Akha*.[1] Speakers live mostly in China. It is closely related to Akha, and that it is part of the *Hanoid* (Southern Loloish) group of languages, but is uncertain of its classification within Hanoid.[1]

There is one Gɔ̀khý village in northern Thailand with about 100 people. The Gɔkhý had of Thailand migrated from near Menghai, Yunnan via Myanmar.
